

Road Committee Report and Recommendations

Committee Recommendations:

- Roads do not need 100% replacement at this time.
- Continue to patch roads as needed.
- Sealcoat every 2-3 years -
- Create separate accounts for road repair allocations.
from monthly dues

Action items:

- Determine how much of current monthly dues is allocated to road repairs –
- Get multiple bids for patching and sealcoating –
- Then determine if an increase in dues is necessary for future
replacement/repairs –
