Article VI: Condensed

Living with Your Community's Bylaws
May 2021 Update

www.emeraldpointenorth.org

Co-owners,

This booklet is a condensed version of Section 7, Article VI of the current by-laws. It was created to help understand the issues that are most misunderstood or violated by co-owners and renters. They have been brought up over time at our annual meetings. The board members have adopted some changes that are not reflected within the by-law's booklet. Please attach or keep this handbook with your association by-laws. In the future we will update this handbook and distribute copies to all co-owners. Please read over and communicate with the Board if you do not understand any of the issues cited by the communication and attached booklet.

The Board will be taking a more proactive approach based on Quality of Life and rewarding the co-owners who keep up their property and comply with the by-laws. There will be zero tolerance when it comes to violations, verbal (written) warning will be issued on first offense and fines will start after ten days of first notice. **Bold** titles are areas we are watching very closely and will not tolerate violations.

- a) **Lawns and Yard Maintenance.** If lawns are left 2 weeks without cutting or grass/weeds greater than 10" high. Board will notify the Management Company, who will call our landscaper. Charge is \$60 per cut. This cost will be passed onto homeowner.
- b) **Pets** Each Co-owner shall be responsible for the *collection and disposition of all fecal matter deposited by any pet maintained by such Co-owner*. Association may also ***assess Fines*** for such violations.
- c) **Exterior Maintenance of Home.** Homes that need upkeep, such as but not limited to, soffits and facial boards not painted in many years, siding falling off home, yard clutter or trash left on front of yard. If situation is left unchanged for two weeks, we will send warning letter. If no action is taken by homeowner, then fine will be assessed.
- d) **Trash and Recycle containers.** With the advent of Westland's new trash program loose trash should be a thing of the past. Trash and recycle containers may be put out at the streets any time after 6 p.m. on Thursday (or Friday evening when trash is being picked up on Saturday). Both containers must be stored in the garage or at the side of the garage hidden from view by a fence, evergreen or storage container. Please print your address on your trash and recycle containers.
- e) **Exterior lights.** Any homes that fail to have lights on will receive a violation letter. If situation is not changed after 10 days, then a fine can be assessed. This is in the interest of safety, effective immediately.

- f) **Non-Licensed Vehicles.** Unlicensed Gas and/or Electric vehicles can **NOT** be used on our streets. Homeowner will be issued immediate fine including any visitor to your property. You as a homeowner are responsibility for any and all actions taken by visitors at your property.
- g) **Skate Boarding and Basketball.** There will be no skateboarding at entrance from Hix Road to the speed bumps. No skateboarding on the wall at the front entrance, and no use of jumps or other types of ramps in the streets. Basketball hoops are not allowed in the streets. They must face your property.
- h) **Parking.**
1. **Street Parking-** Westland Car Towing will be towing any vehicle reported by Guardian Security that is parked in the streets during the hours of 1 a.m. to 6 a.m. or a snow emergency.
